Biography:

Edward is a dancer, researcher and choreographer based in Amsterdam.

Since graduating from Rambert School, London, he has collaborated with a number of artists in the field of dance, music and visual art. His most notable collaborations as a dancer have been with Emio Greco at ICKamsterdam and LA(HORDE) at Ballet National de Marseille.

Having started out as a Ballroom and Latin dancer, his curiosity for dance has led him to study many different dance styles and techniques including Classical Ballet, Freestyle, various Contemporary Techniques, Voguing, Flamenco and most recently Butoh. In this way he likes to approach the body as an archive, able to draw from various points of reference to create different forms and atmospheres.
