

THE CCC AGENCY

Current occupation: La Perle, Dubai

Biography:

Born in Bologna, Italy, Carolina, start dancing at age of 3. She finds herself moving to London to study at Rambert School of Ballet and Contemporary dance where she discovers her passion for modeling and acting. Her professional career starts as a soloist dancer at Plzen Ballet, Czech republic, later on, she moved to Finland for the Finnish National Ballet, and Switzerland, Bern Ballet. In 2021 Carolina got offered to be the Main Character for the first resident circus show in Dubai “La Perle” by Franco Dragone. Since then, she performs in a different environment from what she was used to, she started to learn how to flip in the air and generally use her body in a new way.

Carolina is attracted to the unknown and always tries to push herself to dive into new experiences. She finds inspiration in simple things such as watering her beloved plants or feeding stray cats whenever she goes for a walk... I guess Carolina just loves the unpredictability of life.
