**Biography:**

Lung-ssu Yen was born and raised in Taiwan, he graduated from Codarts University of The Arts in Rotterdam, The Netherlands. He will join Nagelhus Schia Productions in Norway as a professional dancer in 2022. I'm personally into dance theatre, as well as a dancer, performer, and actor. However you will call it, I enjoy being various characters on stage, like water in different forms of vessels. It doesn't matter whether it's a glass of water or a bottle of water. I am water and we are water, sharing the landscape I have seen, the air I have tasted, and the earth we are standing on right now. What matters is that we are all human.
